Headstone inscription

In memory of
PAUL HOWARD MacGILLIVRAY
M.R.C.S. M.A. L.L.D.
Born May 3rd 1834, died July 9th 1895
Who inheriting from his father, the love of natural history, spent the intervals of a long and laborious professional career in patient investigation of the natural history of his adopted country.
He acted for many years as a resident and honorary surgeon of the Bendigo Hospital, and gave unreservedly of his time to the educational development of the technical and scientific institutions of this city.
To perpetuate the memory of this distinguished scientist, and of a physician, whose help was always freely given to the poor and needy, this memorial was erected by the citizens of Bendigo and his other friends.

"Therefore by their fruits ye shall know them" *Matthew 7th Chapt , 20 Verse.*
